

The image shows a screenshot of an IDE's console window. On the left, there is a vertical toolbar with icons for running (a green play button), debugging (a wrench), and other IDE functions. Below the toolbar, the words 'Structure' and 'Bookmarks' are visible. The main area of the console is dark with light-colored text. It displays the execution of a Java program, showing the command to run Java with a specific agent, followed by two lines of output: 'Todos los médicos de la clínica:' and 'Nombre: Dr. Juan Pérez, Especialización: Cirugía cardíaca', and then 'Todos los administrativos de la clínica:' and 'Nombre: Ana García, Título: Secretaria'. The final line indicates 'Process finished with exit code 0'.
